

go straight here, don't follow the road.

THAT'S GRASS, LADY.

it's SNOW.

don't slow down, or you'll get stuck.

do you see that?

there's nothing ever wrong here, it's all perfect.

you muss it up, but all of it's behind you.

DO YOU SEE WHAT'S BEHIND US?

oh wow...

you see?
I told you we'd have fun.
